Fine Indian Dining

Imli means Tamarind in Urdu and Hindi as well as several other Asian languages.

Tamarind tastes rather like a Date but is less sweet and a little more sharp, it is sometimes known as the Indian Date. It is an important and popular ingredient in many Indian dishes.

Allow us to take you on a culinary journey to exotic far away places. Our expertise in Asian cuisine is as wide ranging and varied as the people and terrain of the sub-continent itself.

Should you require any advice in selecting your meal just ask any member of staff, they will be pleased to assist you.
